TECHNICAL COMPETENCIES

Comfortable using statistical software such as SPSS and Microsoft Excel. Basic knowledge of programming in Python.

PROFESSIONAL EXPERIENCE

Gallery Attendant (Guard/Tour guide) - Haggerty Museum of Art 2018-2022

- As a gallery attendant at the Haggerty Museum of Art, my primary responsibilities have been to guard the museum's art and assist in facilitating workshops and tours for museum patrons. I have also been responsible for training the museum's other guards in their typical work responsibilities and occasionally setting up sound equipment for museum events.

Performer/Educator - Bristol Renaissance Faire 2019-2020

- As a performer/educator at the Bristol Renaissance Faire, I acted in one of the Faire's historically accurate casts, the Guild of St. Michael. This specifically entailed interacting with guests whilst using historically accurate terminology and vernacular as well as teaching guests about the history and usage of 16th Century weaponry and armor.

Administration/Education Intern - Summit Players' Theatre

2020-2021

- As the Summit Players' Theatre's administration/education intern, I led educational workshops about William Shakespeare in conjunction with the theatre company's production of *The Winter's Tale*. I also recorded brief informational lectures about symbolism, imagery, and historical context in Shakespeare's plays.
